

# School Accountability Report Card

## Reported Using Data from the 2017–18 School Year

California Department of Education

### *For Creative Learning Center*

**Address:** 2100 Woods Lane Los Altos, CA 94024 **Phone:** 650-964-4330

**Principal:** Tamila Sayar

**Grade Span:** K-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

**Throughout this document the letters DPL mean data provided by the LEA, and the letters DPC mean data provided by the CDE.**

### School Description and Mission Statement (School Year 2018–19)

#### School Mission:

Our mission is to provide a range of functional academic, independent living, social and behavioral services emphasizing the development of the whole person.

Through our individualized focus on the acquisition of language, independence, social, academic and behavioral skills, each individual is provided with the support and tools to participate in society to his or her full potential.

#### School Description:

CLC provides individualized education, speech, occupational, and social therapy to children on the Autism Spectrum in grades K-12 [ages 5-19]. In addition to the general OT goals that students work on, the OT organize games and activities such as bike riding, roller balding, and Yoga. Students are transported in the CLC vans and vehicles regularly to address goals in the community such as safety and functional living skills including but not limited to making purchases at stores, doing laundry, eating at restaurant, helping out on farms and other related vocational activities. Every year students from local Jr High and High Schools students volunteer in our schools to provide inclusion. Often the SLP may go on the outings or facilitate the inclusion groups to allow students to address their individual goals in a functional setting. Art activities are a part of every classroom. On occasion classrooms will pair up to do activities allowing for peer support to take place. Extra curricular activities including Spanish, garden9ing and computer activities are also available to students as appropriate. Appropriateness of activities is determined by the student's ability and IEP goals and objectives. Field trips are planned in accordance to the student's needs, ability and interest. They attend field trips with other students and staff to places like the restaurants, museums, movies, stores, parks, Moffat, bowling, miniature golfing and walks. Teaching methods are individually developed based on each student's learning style, but generally are structured along the lines of Applied Behavior Analysis utilizing visual teaching techniques and materials as developed by TEACCH and SCERTS models. Teachers are responsible for the initial creation of teaching materials for students who are transitioned to their school district's grade-level curriculum materials as they demonstrate readiness. Additional teaching materials are purchased from educational catalogues such as Steck-Vaughn, Curriculum Associates, Michelle Garcia Winters, Mad science, Lakeshore Learning Materials, and Mayer, Johnson, Frostig, Nasco, act..

**A. Conditions of Learning**

**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

**Teacher Credentials**

### School Facility Conditions and Planned Improvements

***Narrative provided by the LEA***

*A safe campus and learning environment are of paramount importance to the CLC Staff and community. All facilities were found to be in good repair. CLC continues to update and make repairs as necessary to maintain a clean and safe facility for all staff and students.*

**School Facility Good Repair Status**

Using the **most recently collected** FIT data (or equivalent), provide the following:

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students  
 Grades Three through Eight and Grade Eleven  
 Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2016–17	School 2017–18	District 2016–17	District 2017–18	State 2016–17	State 2017–18
English Language Arts/Literacy (grades 3-8 and 11)	--	--	--	--	--	--
Mathematics (grades 3-8 and 11)	--	--	--	--	--	--

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group  
Grades Three through Eight and Grade Eleven (School Year 2017–18)**

<b>Student Group</b>	<b>Total Enrollment</b>	<b>Number Tested</b>	<b>Percent Tested</b>	<b>Percent Met or Exceeded</b>

<b>English Learners</b>	--	--	--	--
<b>Students with Disabilities</b>	--	--	--	--
<b>Students Receiving Migrant Education Services</b>	--	--	--	--
<b>Foster Youth</b>	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

**Career Technical Education (CTE) Programs (School Year 2017–18)**

## c. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2018–19)

***Narrative provided by the LEA***

*CLC provides daily communication, monthly meetings and parent trainings, and quarterly progress reports, thus creating multiple opportunities for parents to get involved and carry programs into daily living within the home. Parents can contact the main office at any time for assistance with any of the aforementioned items.*

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

#### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2014–15	School 2015–16	District 2014–15	District 2015–16	State 2014–15	State 2015–16

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

### Suspensions and Expulsions

Rate	School 2015– 16	School 2016– 17	School 2017– 18	District 2015– 16	District 2016– 17	District 2017– 18	State 2015– 16	State 2016– 17	State 2017– 18

**Types of Services Funded (Fiscal Year 2017–18)*****Narrative provided by the LEA***

*There are credentialed Special Education Teacher and BCBA's assigned to each classroom to ensure the implementation of all the individual student's IEP goals and objectives. The 1:1 instructional assistants are trained to be ABA therapist and classroom instructional assistants. They rotate from student to student as needed and, as appropriate, to ensure generalization. Students receive SLP and OT individually or in small groups depending on the students IEP requirements. These services can take place in the classroom or in the designated OT/SLP areas. Visual schedules and communication devices are used as appropriate in relation to the students IEP and as provided from the school districts or parents. Computers and iPads are available to students to address alternative learning styles as needed.*
