Principal: Tamila Sayar **Grade Span:** K- Post Secondary

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Throughout this document the letters DPL refer to data provided by the LEA, and the letters DPC refer to data provided by the CDE.

School Description and Mission Statement (School Year 2020–2021)

Narrative provided by the LEA

School Mission: Our mission is to provide a range of functional academic, independent living, social and behavioral services emphasizing the development of the whole person. Through our individualized focus on the acquisition of language, independence, social, academic and behavioral skills, each individual is provided with the support and tools to participate in society to his or her full potential.

School Description: Creative Learning Center (CLC) is a non-public school in Redwood City. CLC uses multiple research and evidence based programs including TEACCH, Relationship Building instruction, PBIS, and SCERTS. CLC's mission is to educate the whole child, as a result, the teaching methods are individually developed based on each student's learning style, strengths, and weaknesses. Additionally, CLC provides specialized academic instruction, speech and language services, occupational therapy, behavior supports, social skills training, and student and parent counseling. CLC educates and services students on the Autism Spectrum and other neurodevelopmental disorders in grades K-12+ [ages 5-22].

The CLC program incorporates multiple recreation and fitness activities which are organized by the CLC staff. Activities include but are not limited to activities such as bike riding, roller blading, and yoga and other mindfulness activities. Extracurricular activities including Spanish, gardening and computer activities are also available to students as appropriate. Appropriateness of activities is determined by the student's ability and IEP goals and objectives. Field trips are planned in accordance with the student's needs, ability and interest. They attend field trips with other students and staff to places like the restaurants, museums, movies, stores, parks, Moffat, bowling, miniature golf, and nature walks. Furthermore, art activities are a part of every classroom's program and schedule.

CLC provides community-based instruction to address pre-vocational, vocational, and transition skills. Students may walk or be transported in the CLC vehicles to regularly implement the students' Individualized Intervention Plan and to address goals in the community. Activities may include opportunities for practicing safety awareness, making purchases at stores, doing laundry, eating at restaurants, working on farms or department stores, and other related vocational activities. Many times, our service providers including the SLP, OT, and/ or BCBA may go on the outings with the groups to address students' individual goals in a functional setting.

Additionally, students at CLC get the opportunity to interact with typically developing peers throughout the volunteer program. Every year students from local Jr High and High Schools student volunteer in our schools to play games, assist, and mentor the children and young adults attend CLC. CLC also offers sibling groups, game nights, reading nights, and math challenges for the students' families, volunteers, and community members/ organizations.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

Narrative provided by the LEA

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide a summary statement of the condition of the school facility, as required by Education Code sections 17014, 17032.5, 17070.75(a), and 17089(b).

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	--	N/A	DPC	N/A	DPC	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020–2021)

Narrative provided by the LEA

CLC provides daily communication, monthly meetings and parent trainings, and quarterly progress reports, thus creating multiple opportunities for parents to get involved and carry programs into daily living within the home. In addition, parent conferences are offered on a regular basis for parents to meet with staff. CLC hosts multiple family events throughout the year. Parents can contact the main office at any time for assistance with any of the aforementioned items.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017–2018	School 2018–2019	District 2017–2018	District 2018–2019	State 2017–2018	State 2018–2019

Expulsions	0	0	DPL	DPL	DPL	DPL

Suspensions and Expulsions for School Year 2019–2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–2020	District 2019–2020	State 2019–2020
Suspensions	0	DPL	DPL
Expulsions	0	DPL	DPL

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to prior years.

School Safety Plan (School Year 2020–2021)

Narrative provided by the LEA

A safe campus and learning environment are of paramount importance to the CLC staff and community. Staff implement ABA strategies, Behavior Intervention Plans, and Response to Intervention Technique promote a positive climate. PBIS is incorporated and embedded through the instructional and behavioral programs. A comprehensive school safety plan and mass casualty plan have been developed following best practices and the plan is reviewed quarterly with staff as a part of our regular emergency preparedness planning.

Types of Services Funded (Fiscal Year 2019–2020)

Narrative provided by the LEA

There are credentialed Special Education Teacher and BCBA's assigned to each classroom to ensure the implementation of all the individual student's IEP goals and objectives and behavior intervention plans. The 1:1 instructional assistants are trained to be ABA therapist and classroom instructional assistants. They rotate from student to student as needed and, as appropriate, to ensure generalization. Students receive SLP and OT individually or in small groups depending on the students IEP requirements. These services can take place in the classroom or in the designated OT/SLP areas. Visual schedules and communication devices are used as appropriate in relation to the students IEP and as provided from the school districts or parents. Computers and iPads are available to students to address alternative learning styles as needed.
