Summer Services 2021

This year CLC will be offering several ABA summer camps. Funding for camps can be offered through the following methods:

1. ABA camp funded through insurance for **existing** CLC ABA clients who have a current authorization.
 - a. Individual ABA hours available can be discussed with case consult. If additional hours for camp(s) are needed outside of authorization hours, private fees will apply.
2. Private pay (fees outlined below).
3. Other funding sources, such as Regional Center funding.

After school ESY ABA Camp:

CLC is happy to offer after school ABA services for students from 12:30 pm to 4:30 pm from July 5-July 30, 2021. After school ABA services will be delivered in 1:1 and small group settings. ABA services are delivered on site and will integrate activities designed by CLC speech, occupational, marriage/family therapists and BCBA's. Therapists trained in Applied Behavior Analysis principles will lead all camp sessions, under the supervision of CLC's BCBA's. Parents have the option to sign up for all four weeks of camp or single week options. CLC is not able to accommodate daily camp sign ups; a minimum of a week is required to attend. Camp enrollment will be limited and attendees will be assigned to pods to limit group size/exposure and activities will be conducted outdoors, weather permitting. Due to COVID-19, community access will be limited. Any field trips/community access that requires additional resources, will be requested, should participation in the outing be elected. Lastly, there will be an additional \$100/per week camp fee applied (fee covers but not limited to: themed games, supplies, site use fees, guest appearances).

For families who hold a current insurance authorization with CLC, the camp hours will be billed through insurance, pending your child has available hours left in his/her current authorization. A breakdown of hours remaining

in the authorization can be provided by your child's case consult. Any hours that are not covered by insurance will be billed at \$60.00/hour. Insurance plans that require co-pays are still applicable for camp hours. Additionally, there will be an additional \$100/per week camp fee applied (fee covers but not limited to: themed games, supplies, site use fees, guest appearances).

For families who do not hold a current insurance authorization and/or not a current ABA client of CLC's, and who would like to participate in after school ESY camps, the tuition for our weekly four hour daily camp is \$1200.00 per week, (camp fee not included).

For families interested in funding through other sources such as regional centers, please reach out to your case manager through your regional center for details on how to fund. For verification of camp details, outside funding sources can reach out to CLC's office manager, Heather Trujillo at 650-385-8381, for assistance.

Inclusion will be available in our summer camps. Students from local schools and charities will be on campus throughout the summer, providing inclusion opportunities as peer models.

Full Day ABA/Social Skills Camp

CLC is pleased to offer two-week long ABA camps. The date for this camp is June 21 to July 2, 2021.

The ABA camp session will be five hours in duration, from 8:30am – 1:30 pm. CLC staff will incorporate activities such as themed play activities and integrate activities designed by CLC speech, occupational, marriage/family therapists and BCBA's; (current ABA clients will continue to work on their ABA programming and implementation of all behavior plans, throughout their day). Therapists trained in Applied Behavior Analysis principles will lead all camp sessions and ABA services will be delivered in 1:1 and small group settings.
